### **Be the Love of Nine Lives... Adopt a Shelter Cat!!**

The Selangor Society for the Prevention of Cruelty to Animals (SPCA) invites you to add a wonderful shelter cat (or more!) to your family this August. Adopt-a-shelter-cat month is held in the month of August in conjunction with the International Homeless Animals Day. The public is invited to the SPCA where cats of many colours, sizes and ages are eager to meet you and become your furry companion and friend for life.

Adoption fee for these cats start from only RM 30 to RM70. All cats have been sterilized and vaccinated. The first 30 adopters will also receive an exclusive gift bag of assorted cat food sponsored by WHISKAS Food for Cats. So hurry now!!

Celebrate with us today by visiting the cats at the Selangor SPCA. The SPCA opens daily from 9 am to 4 pm (including weekends and public holidays). Many wonderful cats are waiting for permanent, loving homes. Meet the new love of your life!

Check the SPCA website at [www.spca.org.my](http://www.spca.org.my) for more details.

Come help these cats, be the love of someone's life. Adoption, the humane option.

- The Society for the Prevention of Cruelty to Animals (SPCA) Selangor is an NGO which serves Selangor and the Federal Territory.
- SPCA Selangor was established in 1958 with the aim of protecting animals and birds and alleviating suffering.
- The SPCA is an NGO and therefore receives no government funding, relying entirely on donations from the public and local businesses to pay for its work.
- The SPCA's Animal Home at Ampang Jaya rehomes unwanted animals and has kennel space for 200 dogs and 150 cats. Animals are brought to the home by their owners who no longer want them, by our inspector rescuing animals from cruelty, or by concerned members of the public who rescue animals from their community.
- The SPCA would like to work in partnership with the people of Malaysia to ensure that they take responsibility to neuter their pets, give them adequate food, space, exercise, care and medical attention, and to be considerate neighbours.
