

The Dog

If you were a dog you would want ..

1 To have company and not to be left on your own for too long.

2 To have meat and cereal every day, with fresh water to drink all the time.

5 To have your own toys to play with.

6 To be brushed every day to keep your coat clean and healthy.

3 Your own bed with a blanket.

4 To have lots of space to run around and play in.

I need you to look after me for all my life.
